### **A/12 Motorway Genoa / Livorno – A/15 Motorway Parma / La Spezia**

In both cases we advise you to leave the motorway at the La Spezia exit. On leaving the motorway, follow the directions for La Spezia, until the Lerici exit. Go through a long tunnel, on exiting the tunnel, turn left, follow the signs to Baia Blu. After about two hundred metres before arriving at the traffic light, turn left into an uphill road. Drive up this road following the brown Baia Blu signs. At the mini roundabout, go right, follow the sign to Baia Blu for about 100 metres, turn left into the private road which leads down to the sea. Travel down this road, past two buildings on your right and enter into the reception car park area.
